

SALMON ARM SECONDARY

School Learning Plan 2025-2026

Our School

Wayt'k – Welcome to Salmon Arm Secondary (SAS)

Salmon Arm Secondary is located on the **K'wsaltktnews ne Secepemcul'ecw**, the unceded and ancestral territory of the Secwepemc people. Our school community has a rich tradition of supporting excellence in academics and electives, while encouraging and promoting music and fine arts, outdoor pursuits along with sponsoring a wide variety of sports. SAS has over 720 students in grades 10, 11 and 12, serving the communities within the catchment areas of Bastion Elementary, Carlin Elementary, North Shuswap Elementary, Salmon Arm West Elementary, South Broadview Elementary and Sorrento Elementary.

“Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community” is our School District’s mission and this greatly influences the programs, events and decisions at Salmon Arm Secondary. We focus on providing a positive, welcoming environment that allows students the flexibility to design an educational program that meets their needs and interests. Our wide range of courses and programs do an excellent job of preparing students for stepping into post-secondary education, transferring directly into the workforce, or moving forward on a less traditional path.

Our staff is proud and passionate about the variety of programs and courses we offer students. We have the privilege to help build our students’ resilience and commitment to their education, to their classmates, and to themselves. Every day, our future leaders and change agents attend school, participate in worthy causes, and make a difference, benefitting both our school and our community.

Each school year our hope is for staff and students to pursue passions, to realize the value of working hard, to explore new opportunities, to be open to and accepting of differences, and to demonstrate gratitude. Salmon Arm Secondary is a wonderful school because of our staff, students, and communities. Thank you and Kukstsélp.

Rob Cadden
Principal

No significant
change since 2020

Finalized results from annual Student Learning Survey available in late August

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

SAS End of the School Year Feedback 2024-25

In the spring of each school year, we ask staff and students to provide us feedback on the school year. In general terms we ask what is going well (green light), what is not going well (red light), and what needs to change, be implemented and/or explored (yellow light). After reviewing all comments, we utilize Microsoft Co-Pilot to summarize the feedback into themes. Below is the feedback:

The highlights:
Relationships
Engagement
School Culture

Green Light	Red Light	Yellow Light																																								
<div><div>📖 Classroom Successes</div><table><tr><th>Group</th><th>Highlights</th></tr><tr><td>Teachers</td><td>Strong student relationships, autonomy, engaging lessons, student choice.</td></tr><tr><td>CEAs</td><td>Respectful students, improved focus with phone collection, teamwork.</td></tr><tr><td>Students</td><td>Positive teacher relationships, engaging activities, flexible learning.</td></tr></table><p>Comparison: All groups value strong relationships and engaging learning. Teachers emphasized autonomy and differentiated instruction, while students appreciate flexibility and support.</p></div> <div><div>🏫 School-Wide Successes</div><table><tr><th>Group</th><th>Highlights</th></tr><tr><td>Teachers</td><td>Leadership events, support systems, extracurriculars, late slip policy.</td></tr><tr><td>CEAs</td><td>Inclusive environment, food programs, teamwork.</td></tr><tr><td>Students</td><td>Clubs, sports, food access, positive school culture.</td></tr></table><p>Comparison: All groups recognize the school's positive culture and support systems. Students and CEAs highlight food programs, while teachers focus more on structured supports and events.</p></div>	Group	Highlights	Teachers	Strong student relationships, autonomy, engaging lessons, student choice.	CEAs	Respectful students, improved focus with phone collection, teamwork.	Students	Positive teacher relationships, engaging activities, flexible learning. Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Strategic Priority: Intellectual Development	
School District No. 83 Strategic Priority goal:	
Each student will develop their literacy skills, numeracy skills, and competencies to become their most capable self.	
Literacy Goal:	Numeracy Goal:
We will show improvement of students achieving Proficient or Extending in the Provincial Literacy Assessments .	We will show improvement of students achieving Proficient or Extending in the Provincial Numeracy Assessments .
Strategies and Actions:	Strategies and Actions:
<p>We believe increasing literacy skills positively impacts all learners.</p> <div><div>Literacy</div><div>Literacy is the ability to critically analyze and make meaning from diverse texts and to communicate and express oneself in a variety of modes and for a variety of purposes in relevant contexts.</div><div>Critical and reflective thinking involves examining relevant information; identifying and challenging biases and assumptions; analyzing purpose and perspective; and considering one's own thinking and that of others in order to make reasoned judgements and develop ideas and insights.</div></div> <ol style="list-style-type: none">1. We provide a variety of English and Humanities courses to meet the diverse interests and needs of our learners.2. We engage curricular leaders (e.g. Department Heads for English/Languages, and Humanities) to support curriculum development, to share high impact classroom instructional practices, and to promote assessment and evaluation best practices. <p>We believe Literacy is a shared responsibility for all educators, at all levels, and is embedded in all subjects and in a variety of contexts.</p> <p>Literacy is a foundational attribute of an Educated Citizen and is more than the ability to read and write. It involves the knowledge, skills, and abilities—the competencies—that enable individuals to have the ability to understand, to think critically, and to communicate effectively about a variety of texts.</p> <ol style="list-style-type: none">3. We support ongoing professional learning and resources that supports literacy instruction and assessment.4. Our school’s professional development committee continues to focus on Universal Design for Learning.	<p>We believe Numeracy focuses on the application of mathematical concepts learned across multiple subjects and developed in all grades.</p> <div><div>Numeracy</div><div>Numeracy is the ability to interpret information within a given situation, apply mathematical understanding to solve an identified problem, and to analyze and communicate a solution.</div></div> <ol style="list-style-type: none">1. We provide a variety of Math and Science courses to meet the diverse interests, needs and abilities of our learners.2. We engage curricular leaders (e.g. Department Heads for Math and Science) to support curriculum development, to share high impact classroom instructional practices, and to promote assessment and evaluation best practices. Good teaching, good teamwork, good assessment. (e.g. District Numeracy Helping teacher)3. We provide targeted academic support, focusing on math and science, to our Indigenous students (e.g. Indigenous Success Teacher).4. We support students with selecting the most appropriate math and science courses based on their abilities and future plans.

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

We believe in working together to provide focused support for grade 12’s in advance, during, and after the Graduation Literacy 12 Assessment.

The Grade 12 Literacy Assessment is a provincial assessment that assesses student proficiency in literacy. It is a graduation requirement and completed during students’ Grade 12 year.

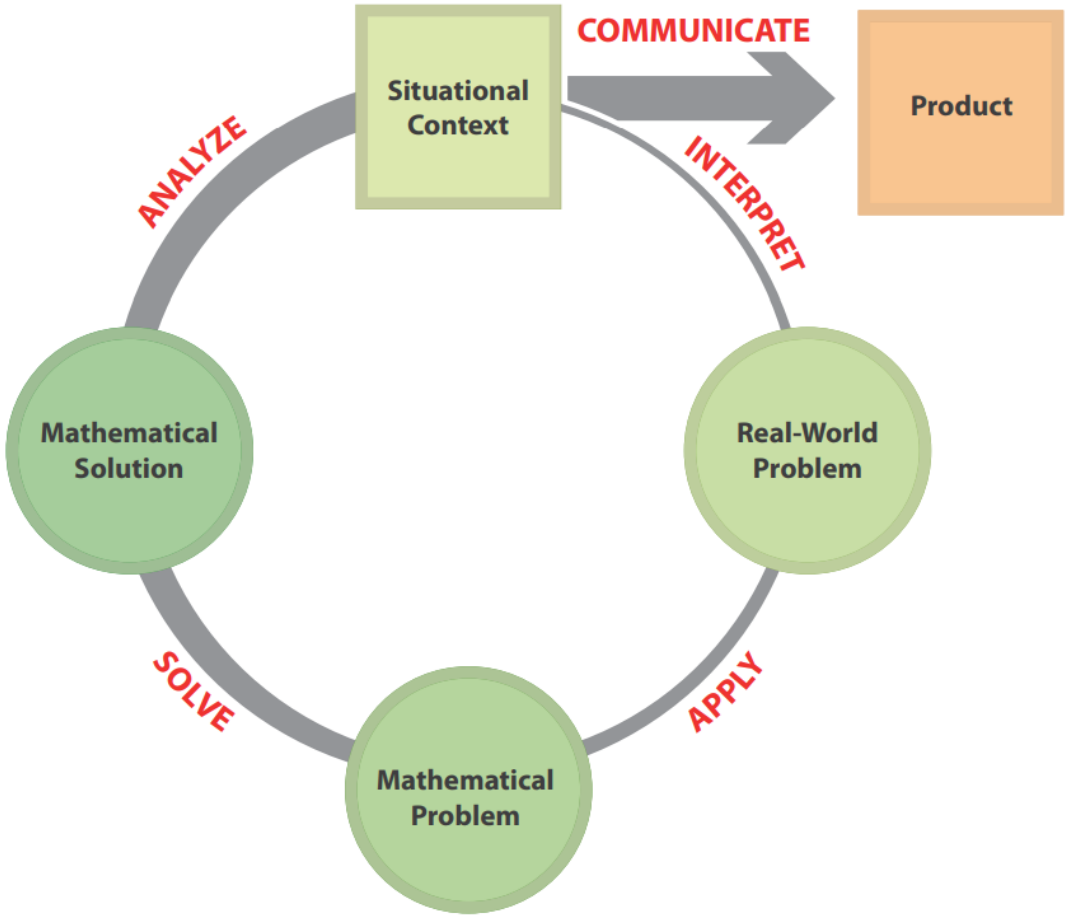

The Grade 12 Literacy Assessment assess students’ ability to use critical and reflective thinking and analysis to make meaning from a diverse array of texts. It also assesses the ability of students to communicate their ideas, or those found in the texts, along with their capacity to make personal connections.

– BC Ministry of Education Curriculum website

- 5. We provide focused Learning Resource Support with specific programs focusing on high school transitions (e.g. Career Connections Program, Individual Achievement Program), and an in-school alternate style of learning to meet the diverse needs of learners (e.g. Academic Flex Program).

We believe there are a series of processes used to solve a numeracy task.

This following image was obtained from the Gr. 10 Graduation Numeracy Assessment: Specifications document on the BC Curriculum website: <https://curriculum.gov.bc.ca/sites/curriculum.gov.bc.ca/files/pdf/assessment/qna-10-specifications.pdf>

(This process is based on a mathematical modelling cycle. Refer to Liljedahl, 2016; OECD, 2019; and Perrenet & Zwaneveld, 2012.)

- 5. We support ongoing professional learning and acquire resources to assist with numeracy instruction and assessment across multiple subjects (e.g. basic number sense, foundational math skills and knowledge, explicitly teaching how to use tech-tools, percentages, significant figures, problem solving, etc.).

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

For our students to feel welcome, safe, connected, and belonging.	For our students to feel socially, emotionally, and mentally supported.
Strategies and Actions:	Strategies and Actions:
<p>Truth and Reconciliation Calls to Action</p> <ul style="list-style-type: none">To authentically embed Indigenous ways of knowing and doing into our classroom and school practices.To involve school-based Indigenous Education staff and Indigenous community members in school events.To share Land Acknowledgements (daily announcements, staff meetings, assemblies, school gatherings)To support Indigenous Youth Voice for Reconciliation Student ClubTo develop relationships with local Knowledge KeepersTo partner with and work alongside Education Coordinators from each of the local bandsTo have school-wide participation in:<ul style="list-style-type: none"><i>National Day for Truth and Reconciliation</i> to recognize the legacy of the Canadian Indian residential school system (<i>Secwepemc flag raising</i>).<i>Indigenous Day of Learning</i> to come together as an entire staff to listen, to learn, and to commit.<i>Moose Hide Campaign</i> to take collective action to end violence towards women and children.<i>National Indigenous Peoples Day</i> to recognize and celebrate the cultures and contributions of the First Nations, Inuit, and Metis peoples of Canada.To offer BC First Peoples 12, English First Peoples 10-12, and Contemporary Indigenous Studies 12, pending course selection requests.To Indigenize our school spaces (naming spaces - language, flag, digital picture frame with Secwepemc photos & write-ups, Indigenous Student Advisory, local voices, elders, knowledge keepers).To move our local Indigenous Elders framed photos into the main hallway. <p>Welcome</p> <ul style="list-style-type: none">To ensure our school is open and available to students from 7:30am until 5:30pm. It is important for our custodians and office staff to get a sense of which students arrive early or stay late (<i>for a variety of reasons – transportation, wi-fi, safe place, etc.</i>), and to ensure they feel welcomed.To provide a stigma-free and easily accessible breakfast and lunch program to all students.To maintain the cleanliness of our school and school grounds, including our front entrance gardens.To encourage staff to greet students at their classroom door at the beginning of each class, and when they pass students in the hallway.	<p>To support social-emotional learning in schools through the work of Counsellors, Learning Resource Teachers, SAS Wellness Centre, Administration, and outside agencies.</p> <p>To provide Mental Health Literacy professional development.</p> <p>To implement trauma-sensitive & informed practice and restorative practices.</p> <p>To provide additional social, emotional, cultural, and academic support to Indigenous students by our Indigenous Education Worker, Indigenous Success Teacher, along with various district itinerant supports.</p> <p>To support a solution-focused and problem-solving School Based Team, made of administration, counsellors, learning resource teachers, and indigenous education workers to provide social, emotional, and academic support.</p> <p>To implement an adjusted 5-block learning structure, with <i>Flexible Instructional Time</i> for senior-level students, to intentionally align both the needs of students in grades 8 through 12, along with the decision by the Board of Education for school reconfiguration.</p> <p>To implement an Academic Flex program to meet the needs of a variety of students:</p> <ul style="list-style-type: none">who have earned an Insufficient Evidence (IE) in a course (<i>during or after the semester</i>) and require a different environment or program to demonstrate their learning.who require teacher support and time while taking an online course,who over time, have consistently struggled in a traditional classroom environment,who do not attend school regularly,who are waiting to attend Storefront,who are priority learners.

Safe

- To ensure administration (with staff support) provides regular supervision of hallways, cafeteria, and washrooms during classes, class transitions, and after school.
- To adjust the staff supervision schedule to have more teachers supervising in the morning (6), in each wing of the building, out in the hallway connecting with students and colleagues and monitoring behaviour.
- To have a PVP member supervising the parking lot at the end of the day.
- To ensure our Lunch Hour Supervisors are assigned to high traffic areas to monitor behaviour and conduct.
- To develop and provide on-going opportunities for staff to expand their understanding of, and commitment to, inclusive, anti-racist, and anti-oppressive practices, including education on micro-aggressions.
- To support a “one student out at a time” practice in classrooms.
- To remind students of our classroom cell phone expectations (teacher’s discretion... default is no phones).

Connected

- To host school cultural events throughout the year (*i.e. assemblies, school-wide meals, music concerts, talent shows, sporting events*).
- To implement a Student Advisory Group to solicit feedback and to promote a shared responsibility in making SAS awesome!
- To maintain the school’s website to highlight school activities and celebrations – providing access to the public to our internal Calendar TV and Daily Announcements.
- To have teachers deliver the Daily Announcements each morning, to keep everyone in the loop with what is happening at SAS.
- To ensure the SAS Graduation celebrations and ceremony authentically involve school personnel and our school community.
- To invite school community members to sit as panelists for Capstones and District Dogwood Scholarships presentations.

Belonging

- To implement professional learning focused on diversity, cultural awareness, cultural safety, and inclusive practices.
- To develop, expand and implement inclusive and collaborative practices and processes.
- To direct budget monies to school culture, equity, and inclusivity initiatives.
- To support SPAT (SAS Pride Action Team), an active, well-supported and highly visible student advocacy and educational club at SAS.
- To ensure SOGI (sexual orientation and gender identity) topics are brought up at staff meetings throughout the school year.

Introducing Flexible Instructional Time (FIT)

What is FIT?

FIT is a period of supervised instructional time built into each day to **explicitly teach** and **empower** senior-level students *to develop the skills necessary to use unstructured time to benefit their learning and personal needs*.

FIT is not assigned to **Applied Design, Skills & Technologies (ADST), Fine Arts or Physical & Health Education** courses. For courses in these departments, this period would be treated as a **DOUBLE BLOCK**.

Why FIT?

FIT is a learning structural response that acknowledges students lead busy lives and navigate competing demands for their time in and outside of school. FIT provides senior-level students, in academic courses, with the opportunity to self-direct and engage in their learning, while also participating in coordinated school-wide initiatives (*e.g. assemblies, career education seminars, etc.*). Teachers do not teach new course material during this time. Instead, teachers will be accessible to students for additional help and guidance on current and ongoing learning. In essence, a student with more academic courses will receive more FIT time.

FIT Details

FIT is assigned to **grade 10-12 students** enrolled in courses within the **Math, Science, Humanities, and English Languages Arts** departments. There is flexibility given to teachers within these departments to utilize the first ~20 minutes of the FIT block to complete a lab, project, assignment or assessment from the previous block. However, the spirit of FIT is most of the time it is intended to be self-directed by students, with the support of a teacher.

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

An explanation of the adjustments

Our intention with adjusting our Learning Structure is to *create time*, to implement the required *Career Education* curriculum, to *reduce stress*, and to better meet the *evolving needs of learners*.

- Adding a 5th block each day. For the additional block each morning, students return to their first block classroom, and this time is treated as a:
 - Double Block = Applied, Design, Skills & Technologies, Fine Arts & Physical Education, or
 - Flexible Instructional Time (FIT) = Math, Science, English, Humanities & Languages
- Shorting each block, decreasing from 80 minutes to 65 minutes.
- A longer morning and a shorter afternoon (60:40 split, instead of 50:50).
- A longer morning break, as well as an additional transition-break each day.
- Future planning: Accommodating 5 daily linear-classes for grades 8 & 9, and 4 daily semester-classes for grades 10-12.
- School starts slightly earlier and ends slightly later (~ 9:10am and 3:35pm)

After a low in 2022-23 (COVID), there is a positive trend in students respecting people different than them.</p>						<div>School Stress or Anxiousness</div> <p>The trend of students feeling stressed/anxious due to school is highly variable, with a range between 41-59% over time.</p> <div>Adults treating students fairly</div> <p>The trend of students feeling like adults in school treat them fairly is highly variable, with a range between 51-67% over time.</p> <div>School Attendance</div> <p>Attendance remains relatively consistent over time.</p>																																																																																																																		

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Strategic Priority: Career Development	
School District No. 83 Strategic Priority goal	
Each student will develop the skills and competencies to be successful in a career pathway of their choice.	
Career Exploration and Development Goal: <small>(e.g. dual credit programs, ensuring pathways of eligibility, ensuring access for priority learners)</small>	Meaningful Graduation Goal: <small>(e.g. successful transitions from Grade 10 to 11, graduation credentials that allow students to transition into the adulthood of their choice whether that is the workforce or post secondary, reduction in Adult Dogwood rates, reduction in rates of students taking Workplace Math, special attention to supporting priority learners...</small>
For our students to develop the skills and competencies to be successful in a career pathway of their choice by the time they graduate.	For our students to have a valuable high school educational experience , with a meaningful transition plan into adulthood by the time they graduate.
Strategies and Actions:	Strategies and Actions:
<p>To provide students with an enriched Career Life Education 10 and Career Life Connections 12 program at SAS.</p> <p>To engage students in goal-setting and self-assessment related to core competencies, career pathways, and programming.</p> <p>To raise awareness for parents and student regarding possible career pathways and programming opportunities (e.g. Fall Open House – Post-Secondary Planning Night, Post-Sec Tours, Tech Meet-Up, Youth Job Fairs), along with meeting with local band education coordinators to share information.</p> <p>To support students in career exploration opportunities in Career Life Connections 12, Work Experience 12 and/or Youth Train/Work in Trades programs.</p>	<p>To support students with creating an authentic and meaningful Capstone, outlining their plans for what they would like to do “next” after high school.</p> <p>To support students with completing (<i>engage, reflect, and evaluate</i>) a 30-hours career-life exploration during grades 11 and/or 12 (e.g. paid or volunteer or community service).</p> <p>To offer Post-Secondary Prep 12, supporting students who plan on attending university (<i>e.g. admissions, scholarship and housing applications, APA format writing & researching, etc.</i>), and to begin to look into how other high schools intentionally best prepare students for university.</p> <p>To offer a wide range of courses and programs (Academics, Fine Arts, ADST, PHE, Languages).</p> <p>To ensure each grade 12 student meets with a SAS staff member to discuss “<i>what’s next</i>” after graduation.</p> <p>To restrict gr. 11 students from taking a study block, and to ensure gr. 12’s take a first semester full court load.</p>

Data to Inform/Support Career Development Goals and Analysis/Narrative:

Do you have the opportunity to apply the concepts you learn in school to other areas of your life?

Study Blocks

This table represents the number of students taking a study block at SAS.

	Semester One				Semester Two				School Enrolment	Total Study Blocks
	A	B	C	D	A	B	C	D		
2020-21 <i>COVID spring</i>	35	46	35	33	71	78	69	99	544	466
2020-21 <i>COVID year</i>	35	46	36	48	42	37	36	30	563	310
2021-22	48	39	46	52	74	87	43	51	614	440
2022-23	38	31	36	55	69	72	52	54	644	407
2023-24	22	20	30	26	63	57	60	57	635	335
2024-25	17	17	19	20	66	69	66	56	658	330

Data collated in July each school year.

Percentage of students taking study blocks is decreasing.

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Part Time Students

This table represents the number of students taking a part-time schedule (2 or less courses) during a semester.

	Grade 11’s		Grade 12’s		Totals	
	Sem. 1	Sem. 2	Sem. 1	Sem. 2	Sem. 1	Sem. 2
2022-23	8 <i>of 313</i> 3%	31 <i>of 313</i> 10%	26 <i>of 328</i> 8%	64 <i>of 328</i> 20%	34 <i>of 644</i> 5%	95 <i>of 644</i> 15%
2023-24	9 <i>of 311</i> 3%	17 <i>of 311</i> 5%	16 <i>of 316</i> 5%	72 <i>of 316</i> 23%	25 <i>of 635</i> 4%	89 <i>of 635</i> 14%
2024-25	2 <i>of 322</i> 0.6%	11 <i>of 333</i> 3.3%	9 <i>of 322</i> 2.8%	58 <i>of 333</i> 17.4%	11 <i>of 658</i> 1.7%	69 <i>of 658</i> 10.5%

Data collated in July each school year.

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Early Graduates

This table represents the number of grade 12 students graduating early.
(e.g. taking the second semester ‘off’ or finishing high school after their grade 11 year)

	TOTALS	
	Total Number	% of Gr. 12 Students
2021-22	34 of 296	11%
2022-23	49 of 328	15%
2023-24	57 of 316	18%
2024-25	48 of 333	14%

Data collated in July each school year.

There had been an increasing trend toward the percentage of grade 12 students graduating early, and yet in 2024-25 the number decreased notably.

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Data Analysis/Narrative:	Data Analysis/Narrative:
<p>School and Life Consistently, 73% of our students apply concepts learned in school to other areas of their life.</p> <p>School and Post-Secondary Education We are seeing a slight downward trend in the number of students satisfied that school is preparing them for post-secondary education, from 72% in 2021 to 64% in 2025.</p> <p>Life After School – Post Secondary Education? Consistently 77% of our students state they intend to pursue post secondary education.</p> <p>School and Jobs Just over half of our students are satisfied that school is preparing them for a job (56%).</p>	<p>Full Time Students Drastic improvement (21%) in the number of students enrolled in full time studies at Salmon Arm Secondary from last year.</p> <p>Study Blocks The trend continues – students at SAS are taking less study blocks.</p> <p>Part Time Students The trend continues – fewer students each year, are enrolled part-time (half days) at SAS.</p> <p>Early Graduates The trend reveals on average 15% of grade 12 students (and families) decide to pursue an early graduation, and drop their second semester courses.</p>

Our Vision: Preparing students to become educated citizens who contribute to a dynamic, sustainable, and diverse world.

Our Mission: Empowering students to become confident, curious, and caring individuals who thrive in their learning, relationships, and community.

Our Values: Belonging, Respect, Empathy, Equity, Perseverance, Reconciliation

Resources and Professional Learning	School Learning Plan Consultation Process
<p>To continue to work together, and with the assistance of district and external specialists, to improve student literacy and numeracy outcomes.</p> <p>To devote a portion of each staff meeting to regular professional learning, to review and problem-solve issues or opportunities with our adjusted Learning Structure, and to engage staff with discussions related to School Reconfiguration.</p> <p>To provide release time to our Department Heads to work on curriculum and assessment with members of their department, including piloting competency-based assessment in preparation for grade 9’s next year.</p> <p>To ensure our Professional Development Committee annually supports curriculum and assessment each school year. This year our focus is UDL (Universal Design for Learning) and curriculum work while we add new grades and courses to our school.</p>	<p>Data and analysis a monthly agenda item at staff meetings and with Department Heads.</p> <p>Consultation with Student Advisory Group, student-focus groups, Indigenous Student Youth Voice, Parent Advisory Committee (PAC).</p> <p>Invite Education Coordinators from local bands to share feedback and insight.</p> <p>Posted on our website.</p>
